How to play

- 1 The game organiser picks a winning number from 1 to 30, writes it in the top right corner and folds it over so no one can sneak a peek!
- 2 We suggest players pay a donation of £2 to put their name next to a pink item, but no donation is necessary to take part.
- 3 Once the sheet is full and the money is in, the organiser reveals the winner and gives them half the money or a prize of their choosing.
- 4 The remaining money will help to fund life-saving research and life-changing support.
