Pick the winning number, raise money and make life-saving research happen.

- 1 The game operator picks a winning number from 1 to 30, writes it in the top right corner and folds it over so no one can sneak a peek.
- 2 We suggest players pay a donation of £2 (no donation necessary) to put their name next to a pink item.
- 3 Once the sheet is full and the money is in, the organiser reveals the winner and gives them half the money or a prize of their choosing.
- 4 The remaining money will go towards life-saving research. Research that will create a future where everyone who develops breast cancer lives – and lives well.
